CERTIFICATE OF FACTORY PRODUCTION CONTROL

0050 - CPD - 0015

system 2+

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Wood-based panels for use in construction.

Placed on the market by:

**Smartply Europe Ltd.,
Belview,
Slieverue,
Co Waterford,
Ireland.**

And produced in the it's factory at :

**Belview, Slieverue,
Co Waterford,
Ireland.**

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body – National Standards Authority of Ireland has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

I.S. EN 13986 :2004

were applied.

This certificate was first issued on 9th January 2004 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
